

Fjord V

Fjord V is dedicated to fostering sustainable businesses. In magnificent fjord and mountain surroundings on the West Coast of Norway we are at the beginning of creating businesses inspired by sustainable travel. We aim to create an innovative content production business as part of this endeavor.

Job Title

Entrepreneur-Content Production

This position is unique, innovative, and forward-looking. Applicants will actively participate in shaping the role. The job description is flexible and should be understood as less fixed than for traditional roles.

Location

Base: Ytterli Farm, Fjørå, Norway (in one of Norway's most beautiful natural landscapes)
Projects over a wide geographic area. Alternative primary locations can be considered.

Vision

Creating high quality content including visual, audio, written and multi-media; inspired by sustainable travel. The focus includes nature, culture, people, architecture, food, history, education, and knowledge dissemination.

Position

Shape and realize the vision. We have intentionally left the vision broad; a narrowing of the scope is expected in dialogue with potential candidates. You will tackle the challenge with the freedom to shape approaches and solutions. Varied tasks that evolve over time. An active role in travel and other related businesses.

We are looking for a person with an entrepreneurial mindset who has the motivation and potential to realize the concept. You have a sustainable vision for the concept that you believe in, can communicate, and wish to implement.

Possible Responsibilities

(Will be adapted in dialogue with the applicant)

- Develop content production business.
- Identify, create, and manage relationships with partners.
- Hands-on approach in creating, editing, managing, publishing, and distributing content.
- Identify and attract clients.
- Facilitate the creation of a new company.
- Active participation in travel business and other related businesses.

Desired Qualifications and Personal Characteristics

(If you meet some of the criteria, we would gladly consider your application)

- Ability to set goals, produce results, and overcome challenges.
- Ideas for a more focused vision, and belief in its realizability.
- Creativity, resilience, self-discipline, strong thinking and problem solving abilities, the capacity for self-directed learning, entrepreneurial spirit, and strong communication skills.
- Photography, video and audio production, web development, and graphic design will be considered.
- Writing, digital marketing, and content management are additional considerations.
- IT skills and use of AI tools (the philosophy behind this will be further explained).
- Strong experience in computer programming is particularly valued.
- All necessary qualifications to meet the responsibilities of the agreed-upon scope.

We offer

- A unique opportunity to live and work in harmony with nature in beautiful fjord and mountain surroundings.
- Flexibility to shape your own tasks and responsibilities.
- An exciting role in an innovative, sustainable, and forward-looking project.
- Support in developing your skills and knowledge.
- Opportunities for travel and new experiences.
- Competitive compensation and terms with upside potential.
- Opportunity to take on a leadership position and acquire ownership interests in the resulting business.
- Opportunities for capital investments.
