

Fjord V

Fjord V is dedicated to fostering sustainable businesses. In magnificent fjord and mountain surroundings on the West Coast of Norway we are at the beginning of creating a business focused on sustainable travel.

Job Title

Entrepreneur-Sustainable Travel

This position is unique, innovative, and forward-looking. Applicants will actively participate in shaping the role. The job description is flexible and should be understood as less fixed than for traditional roles.

Location

Ytterli Farm, Fjørå, Norway (in one of Norway's most beautiful natural landscapes)

Vision

Creating and delivering sustainable travel experiences in the fjords of Norway with focus on nature, culture, food, history, education, and knowledge dissemination. We will offer meaningful and small foot-print experiences.

Position

Shape and realize the vision. You will tackle the challenge with the freedom to shape approaches and solutions. Varied tasks that evolve over time. An active role in adjacent businesses.

We are looking for a person with an entrepreneurial mindset who has the motivation and potential to realize the concept. You have a sustainable vision for the concept that you believe in, can communicate, and wish to implement.

Possible Responsibilities

(Will be adapted in dialogue with the applicant)

- Develop and implement sustainable travel experiences.
- Identify, create, and manage relationships with local partners.
- Hands-on approach in delivering the experiences.
- Identify and attract clients.
- Logistics before, during, and after clients are at the location.
- Facilitate the creation of a new company.
- Active participation in adjacent businesses.

Desired Qualifications and Personal Characteristics

(If you meet some of the criteria, we would gladly consider your application)

- Demonstrated ability to set goals, produce results, and overcome challenges.
- Vision for and belief in sustainable travel in the region.
- Creativity, resilience, self-discipline, strong thinking and problem solving abilities, the capacity for self-directed learning, entrepreneurial spirit, and strong communication skills.
- IT skills and use of AI tools (the philosophy behind this will be further explained).
- All necessary qualifications to meet the agreed responsibilities.

We offer

- A unique opportunity to live and work in harmony with nature in beautiful fjord and mountain surroundings.
- Flexibility to shape your own tasks and responsibilities.
- An exciting role in an innovative, sustainable, and forward-looking project.
- Support in developing your skills and knowledge.
- Opportunities for travel and new experiences.
- Competitive compensation and terms with upside potential.
- Opportunity to take on a leadership position and acquire ownership interests in the resulting business.
- Opportunities for capital investments.
